DO DZIEŁA

A creative Christmas tree decoration made from recycled paper cups filled with rice. The cups are arranged in a triangular shape on a cardboard background. The top half of the tree is filled with red rice, while the bottom half is filled with white rice. Three cups in the middle section are filled with black rice. The tree is surrounded by scattered rice grains and decorated with red and white striped candy canes and a red and white striped string. A pink banner with the text "DO DZIEŁA" is overlaid on the right side of the image.
